MIRRORS

-Reflections, Perfected

MIRRORS, PERFECTED

Mirrors are not just reflective surfaces. They define scale, amplify light, and elevate space.

Our mirrors are engineered with precision, finished with care, and designed to integrate seamlessly into architectural intent.

PLAIN MIRRORS

Pure. Precise. Timeless.

High-clarity mirrors with perfect flatness and distortion-free reflection.

- Thickness: 5mm / 6mm / 8mm
- Silver-backed, copper-free options
- Polished or seamed edges

FRAMED MIRRORS

A refined boundary for reflection.

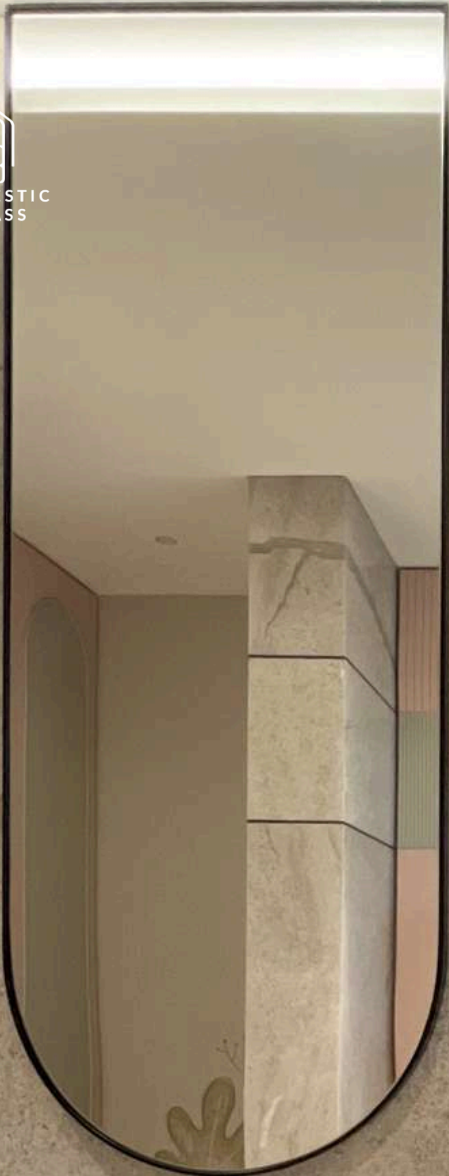

Architectural frames that enhance form without overpowering space.

- Thickness: 5mm / 6mm / 8mm
- Silver-backed, copper-free options
- Polished or seamed edges

LED MIRRORS

Light, balanced to perfection.

Integrated LED mirrors engineered for comfort, clarity, and longevity.

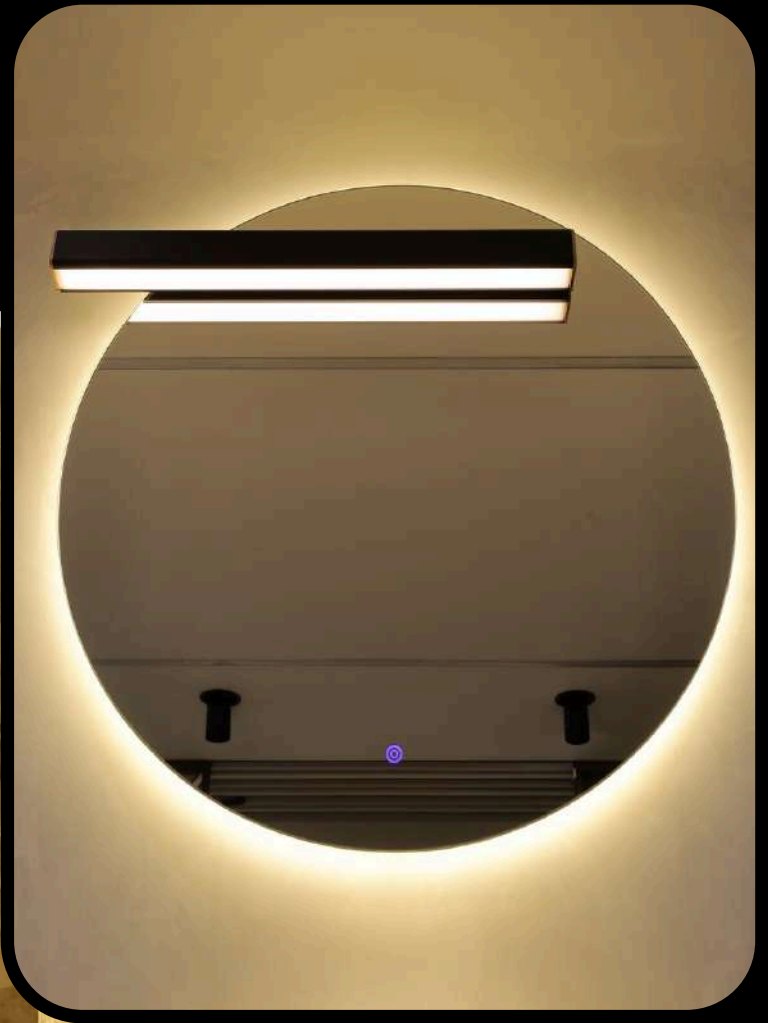

- Lighting: Front-lit / Back-lit / Dual
- Colour Temperature: 3000K / 4000K / 6000K
- CRI: >90
- IP Rating: IP44 / IP65
- Optional: Touch sensor, motion sensor, anti-fog

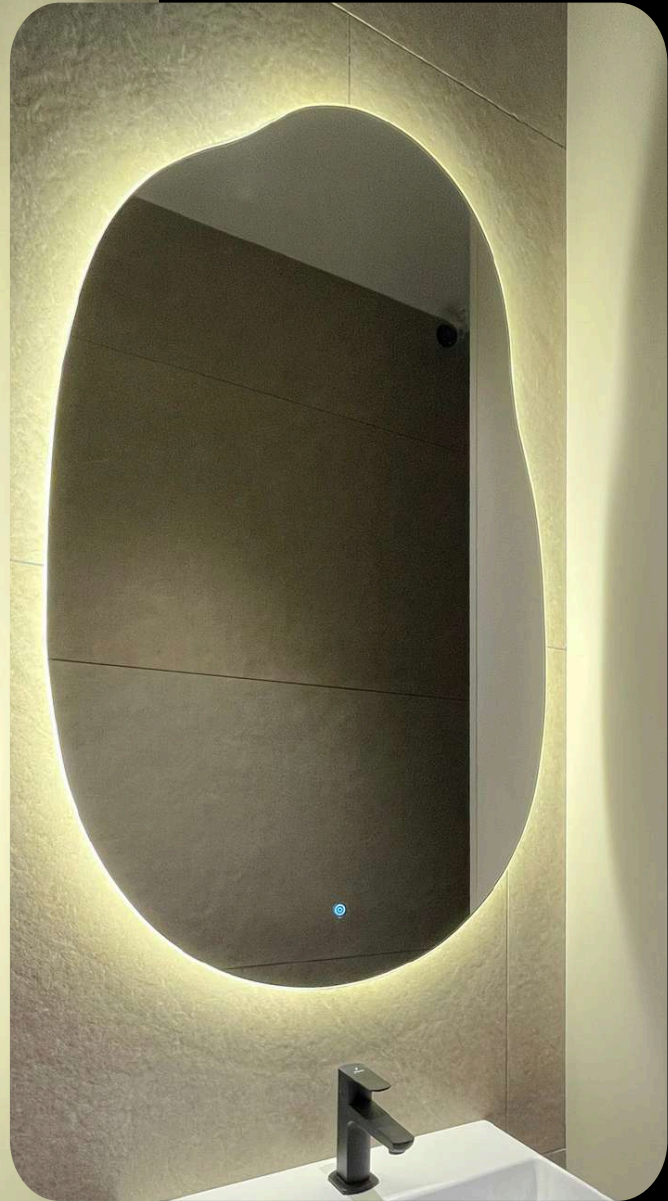

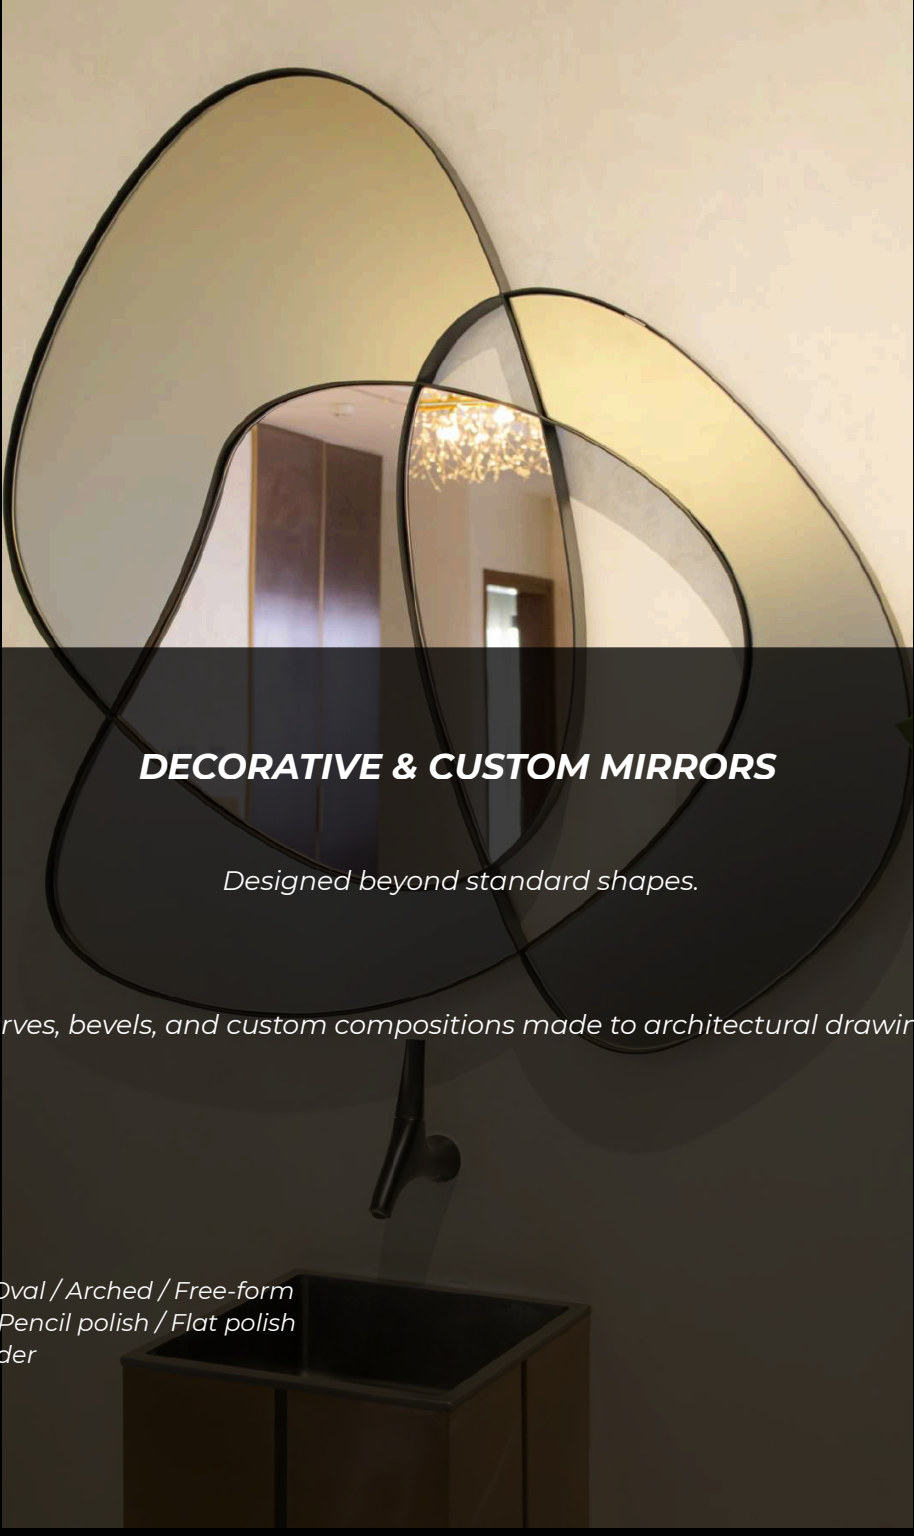

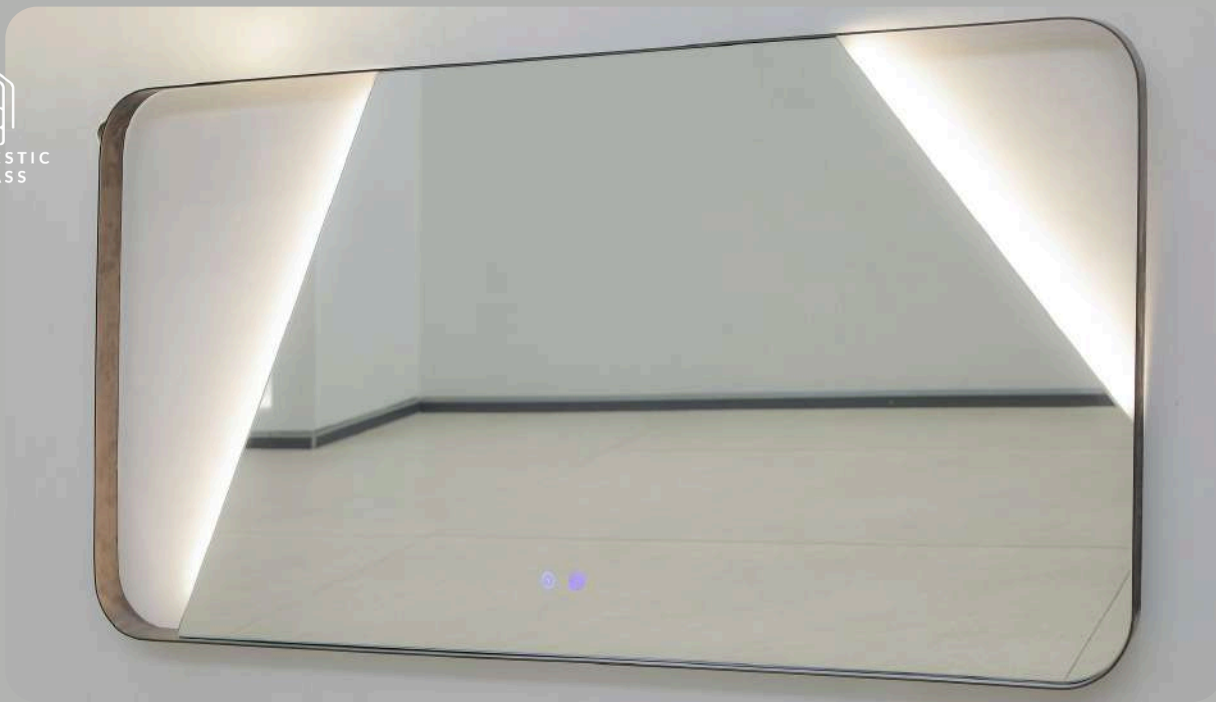

DECORATIVE & CUSTOM MIRRORS

Designed beyond standard shapes.

Curves, bevels, and custom compositions made to architectural drawings.

- Shape: Round / Oval / Arched / Free-form
- Edge: Bevelled / Pencil polish / Flat polish
- Size: Made-to-order

TECHNICAL SPECIFICATIONS

Mirror Glass:

- Thickness options: 5 / 6 / 8 mm
- Copper-free silver mirror
- Low distortion, high reflectivity

Safety & Fixing:

- Safety backing available
- Mechanical fixing / Adhesive fixing
- Wall-mounted / Recessed options

Electrical (LED Mirrors):

- Input: 220-240V
- Driver: Concealed, service-accessible
- Compliance: Standard electrical safety norms

INSTALLATION & MAINTENANCE

- Pre-aligned mounting systems
- Concealed fixings
- Easy cleaning & maintenance guidelines

COLLABORATION & CUSTOM ORDERS

Every project is unique. We work closely with architects and designers to develop mirrors tailored to spatial intent, detailing, and budget.

- Custom sizes
- Custom finishes
- Prototype support
- Site coordination

DOMESTIC
GLASS

Thoughtfully designed. Precisely executed.
